## Mosque attack suspect charged with terrorism

THE man accused of killing 51 people in the Christchurch mosques attack has been charged with terrorism, New Zealand police have said.

Brenton Tarrant was charged with "engaging in a terrorist act".

He is already facing charges of murder and 40 of attempted murder following the attack on two mosques in the South Island city on March 15.

The 28-year-old Australian is next due in court in June.

It is the first time a person has been charged in New Zealand with an act of terror under this law.

Police said they consulted with legal experts and prosecutors before deciding to lay the additional charge.

Tarrant, a self-proclaimed white supremacist being held at the Auckland Prison, has not yet been asked to enter a plea to the charges.

## British Steel close to administration

BRITISH Steel is on the verge of administration as it continues to lobby for government backing.

The UK's second-biggest steel maker had been trying to secure £75million in financial support to help it to address "Brexit-related issues".

If the firm does not get the cash, it would put 5,000 jobs at risk and endanger 20,000 in the supply chain.

The government said it would leave "no stone unturned" in its support for the steel industry.

British Steel's main plant is at Scunthorpe, but it also has a site in Teesside.

# TRIBUTES TO F1 LEGEND NIKI LAUDA

THREE-TIME Formula 1 world champion Niki Lauda produced the "most courageous act of any sportsman" in returning to racing so soon after a horrific crash, says former team-mate John Watson.

Austrian Lauda, who won the drivers' championship in 1975, 1977 and 1984, died aged 70 on Monday.

He almost died following a crash in the 1976 German Grand Prix at the Nurburgring.

Despite suffering severe burns and inhaling hot toxic fumes, he resumed racing 40 days later.

John Watson was a team-mate of Lauda at Brabham and McLaren in the 1970s and

1980s and was one of the first people to attend to him after the crash.

"I came around shortly after the accident and the other drivers that were there managed to get him out of the cockpit and walked him away," Watson said.

### Burning

"We lay him down and I put his head in my lap and he was able to communicate."

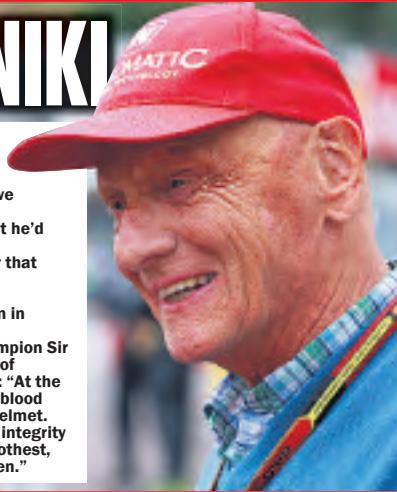

"Nobody realised the actual damage to Niki. The real danger he was in was not from the superficial injuries that we could see but from the deeper injury, which was that to his lung."

"He had suffered inhalation of toxic fumes from the burning fibreglass and we didn't appreciate the severity of the injury that he'd suffered."

"Racing 40 days after that accident was the most courageous act of any sportsman I've ever seen in my life."

Three-time world champion Sir Jackie Stewart recalled of Lauda's comeback race: "At the end I was there and the blood was running out of his helmet."

"He always had great integrity and was one of the smoothest, best drivers I've ever seen."

# JAMIE OLIVER'S RESTAURANT CHAIN COLLAPSES

By COLIN HURST

[news@sundaysport.co.uk](http://news@sundaysport.co.uk)

TV chef Jamie Oliver says he is "saddened" after his restaurant group went into administration, with 1,000 jobs at risk.

The group, which includes Jamie's Italian, Barbecoa and Fifteen, has appointed KPMG as administrators.

In total, 25 restaurants are affected by the move – 22 of which are from the Jamie's Italian chain.

Mr Oliver, who put in £4m cash this year, said yesterday: "I appreciate how difficult this is for everyone affected."

Following the appointment of administrators, all but three of the group's 25 eating establishments have closed.

Two Jamie's Italian eateries and Jamie Oliver's Diner at Gatwick Airport will continue to trade in the short term.

"The group recently undertook a process to secure additional investment into the business and, since the beginning of this year, Jamie Oliver has made available additional funds of £4m to support the fundraising," administrators said in a statement.

"However, with no suitable investment forthcoming and in light of the very difficult

## 1,000 jobs in peril

current trading environment, the directors resolved to appoint administrators."

Jamie Oliver's Fifteen Cornwall at Watergate Bay, which operates under a franchise, is unaffected. The international restaurants trading as Jamie's Italian, Jamie's Pizzeria and Jamie's Deli will also continue to trade as normal.

Mr Oliver added: "I would also like to thank all the customers who have enjoyed and supported us over the last decade – it's been a real pleasure serving you."

"We launched Jamie's Italian in 2008 with the intention of positively disrupting mid-market dining in the UK high street, with great value and much higher quality ingredients."

# 'OBAMA TOLD MAN TO HACK OFF OAP'S HAND'

A MAN chopped off the right hand of a stranger in a wheelchair and then blamed it on former US president Barack Obama.

The High Court in Glasgow heard that Stephen Brisbane left his 64-year-old victim Sandra McGowan lying unconscious on her bedroom floor, picked up her severed hand and put it in a carrier bag.

The 34-year-old then headed back to his mum's

home and put the victim's hand in her freezer.

Miss McGowan let Brisbane into her home – thinking it was her carer – using a remote key fob after he knocked on her door in the early hours.

During a struggle, Brisbane seized her right wrist and started to cut at it with a knife, until she passed out.

Defence QC Mark Stewart said: "He thought he was suffering from a

serious illness and said he had been advised by Barrack Obama to take crystal meth. He had been told it was the cure for his illness and could be extracted from the bones of human beings."

Brisbane admitted entering Ms McGowan's home in Dundee on February 14, 2018, and assaulting her.

Sentence was deferred until next month as a risk assessment is carried out.

JADA Pinkett Smith has admitted she used to be hooked on PORN.

The *Gotham* actress and wife of Hollywood star Will Smith revealed on Red Table Talk, her Facebook Watch talk show, that she "had a little porn addiction" in the past.

The 47-year-old (*right*) said: "I wasn't in a relationship when I had a porn addiction, believe it or not, thank goodness."

She added: "I had an unhealthy relationship to porn at one point in my life where I was trying to practice abstinence."

## Perv guilty of library computer w\*nking

A MAN was caught on camera masturbating while watching porn in his local library.

Adam Morrison, 21, was spotted fondling himself three times in the space of four days while looking at adult content on a public library computer.

He has now been banned from Forfar library, placed on the Sex Offenders' Register and ordered to carry out 200 hours of unpaid work.

He was sentenced at the town's sheriff court for his library exposure and a number of other offences which included sending explicit texts to teenage girls.

Morrison, of Arbroath, previously admitted the indecency acts at the library which took place on April 11, 12 and 14, 2017.

The court was told Morrison was a regular at the Forfar facility and was known to staff.

On the dates in question he went to the reading room and sat at the PC furthest from the door and closest to the back wall.

His actions were caught on CCTV.

He also pleaded guilty to sending sexually explicit messages to the girls via Facebook between July and August 2015.

## Schoolgirl sex attack in woods: Teen boy held

A TEENAGER has been arrested in connection with the reported rape of a 12-year-old girl in a Sheffield wood.

South Yorkshire Police said officers were called to the Richmond area in the early hours of Sunday.

An extensive search of the area around Richmond Heights Woods was undertaken as part of the woodland was sealed off.

A force spokeswoman said the incident was reported just before 3.35am on Sunday and is said to have occurred in woods at around 2.30am.

The spokesman said a 16-year-old Sheffield boy had been arrested on suspicion of rape and remained in custody.

Eva ditched her bra to fully expose her nipples – a move that instantly sent temperatures soaring.

# BOND ACTOR 'KILLED BY GAY SEX DRUG'

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

A **BOND** film actor was killed by an overdose of chemsex drug GHB after hooking up with a fraudster on Grindr, a court has heard.

Eric Michels, 54, who had an uncredited role in 2012's *Skyfall*, was allegedly murdered by Gérald Matovu, 25, at his home in Chessington, in August last year.

Over 19 months, Matovu and his lover Brandon Dunbar, 23, took advantage of 12 gay men, it was claimed.

Opening their trial, Jonathan Rees QC said: "The prosecution say that the defendants, often working together, took advantage of hook-ups and dates, arranged with other gay men through apps, such as Grindr, to steal their property and take pics of their bank cards and other documents for the purposes of fraud."

## Relationship

"In the course of their activities, some of their targets were drugged to facilitate these dishonest activities and one of those, a 54-year-old male, was killed by an overdose of a gamma hydroxybutyrate - GHB. "During a 19-month period, it appears the two defendants were close friends and involved in an intimate relationship.

"The prosecution evidence in this case focuses on 12 gay men, who met up with one or both of the defendants with a view to having

**Court told pair fleeced victims during romps**

sex, and ended up being the victims of their criminal enterprise."

Nine of the men met both defendants while the remaining three only met Matovu, the court was told.

## Photos

In total, 10 of them had property stolen during encounters and all but one had photos taken of their bank cards and personal documents for later use

in fraud, jurors heard.

Eight men were drugged in order to knock them out, five of which had their drinks spiked, and one had drugs injected into his anus without his consent, Mr Rees said.

Along with the murder charge Matovu, of Southwark, south London, denies 13 other charges.

Dunbar, of Forest Gate, east London, denies 21 charges.

The case continues.

**THUG MASTURBATED AFTER THROTTLING GIRLFRIEND**  
**'It was just you & her in the street...and you had your penis in your hand'**

A MAN masturbated in front of a stranger in the street just hours after he strangled his girlfriend at home.

Thomas Crux, 33 (right), was involved in an argument with his lover in May last year which led to him pinning her to the floor and strangling her in her own flat.

Chelmsford Crown Court heard he only stopped when three passers-by saw what was happening and intervened.

Crux and his partner had attended a fancy dress party before ending up back at her flat. He had been drinking "quite a lot".

"You go to the toilet and get your penis out, which you said was because you needed the loo. That caused her

other passers-by, and the three people pulled the entire window out of its frame to save her.

Crux left the flat at 2.30am in the direction of Victoria Road where a woman was walking home alone.

"She heard heavy breathing, it was just you and her in the street and you had your penis in your hand," Judge Peters continued.

Crux was handed a six-year custodial sentence for grievous bodily harm with intent, and a four-year extended licence period.

He was also given two years for a threat to kill, 16 months for actual bodily harm, six months for exposure and three months for criminal damage.

A DENTIST who ordered 500 promotion leaflets for her business was instead sent a box of adverts for a PORN STAR!

Dr Rebecca Stevenson, 44, said she had to warn her teenage boy to "look away" following the cock-up by printing firm Vistaprint.

## Fillers

The mum-of-two had designed 500 leaflets to inform clients about Botox and dermal fillers she planned to offer in Clevedon, Somerset.

Instead she was sent ads for Italian porn star Miss Mina, showing women and couples in various X-rated poses.

Dr Stevenson said: "They

"My son was there when I opened the box. I said, 'Don't look, avert your eyes'.

"But Vistaprint were so dismissive. When I asked what I should do with the porn leaflets, they said, 'bin them'.

"That isn't something I want to put out with my recycling."

Dr Stevenson, who runs Rebecs Facial Aesthetics, was later given a full £66.10 refund without any explanation or apology to her or 13-year-old son Alexander.

Vistaprint said it was due to a labelling error, adding: "We're deeply sorry for any distress."

"I did beg them, I cried my eyes out. I said, 'Please don't show that,' but you have signed your life away when you go on there."

Viewers saw Jess going skinny dipping with ex Rogan O'Connor before they drunkenly slept together in the villa in 2017.

She explained: "I felt under pressure the minute I walked in that you had to hook up with someone."

"I had a producer say, 'Lots of shagging tonight please, girls' – and I that's when I thought, 'I need to leave now.'

"Why would you be telling me to do that? Is this a porn set? It made me feel really cheap. These were just random guys."

Jess was speaking out following the tragic deaths of *Love Island* contestants Sophie Gradon and Mike Thalassitis as well as the suspected suicide of *Jeremy Kyle* guest Steve Dymond.

Whizz Kid Entertainment, the TV firm behind *Ex on the Beach*, commented: "Contributors are made fully aware of the nature of the programme before filming."

**PRETTY Woman** star Julia Roberts has never seen an episode of *Game of Thrones* because she thinks it has "too much sex".

The hit series is on fans' minds now that its last episode aired to mixed reactions from fans and critics.

However, the *Ben is Back* actress can't count herself among the slew of people reacting to the maelstrom, as she's never watched a single episode of *GoT*.

Roberts sat down for a conversation with fellow actress Patricia Arquette for *Variety Studio: Actors on Actors* to promote her new series *Homecoming*.

Arquette fired

questions at Roberts off Twitter, where one user asked who she thought would ultimately sit on the Iron Throne.

"I'm going to say Barack Obama for \$500!" Roberts joked before admitting the

show simply isn't for her.

"I've never watched *Game of Thrones*. But someone just told me a couple days ago, 'You look like one of the wildlings'."

The star said that the show was "too scary" and had "maybe too much sex".

"There's a lot of sex," Arquette confirmed. "And there's zombies and stuff."

"Then it's for sure not for me," said Roberts.

KHLOE Kardashian's ex Lamar Odom used a FAKE PENIS to cheat the drugs test that allowed him to represent Team USA in basketball at the 2004 Olympics.

Lamar made the shock confession in his new memoir, *Darkness to Light*, which also went into his split from Khloe due to his infidelity and drug abuse.

Lamar (above) said: "There was no way I was going to pass – I had been smoking weed every day that summer."

He said "panic set in" and he shopped online for a prosthetic penis, adding: "We ordered a giant, rubber, black cock to arrive the next day."

Lamar then got his drug-free trainer to "urinate in the reservoir of the phallus, which was hidden in the balls".

The basketball legend then strapped the urine-filled fake penis to his leg and squeezed the urine out, while an official looked on to verify the test.

# It was a mindless, ruthless attack which ripped the girl's throat...

By JAYNE FERGUSON  
[news.sundaysport.co.uk](http://news.sundaysport.co.uk)

**IT WAS, WITHOUT DOUBT, THE WORST MOMENT OF JERRY BUSHELL'S LIFE.**

His daughter Kate had taken the neighbour's dog, a terrier called Gemma, out for a walk on November 15, 1997. She left the house at around a quarter to five.

When the schoolgirl failed to return home, Jerry and his wife Suzanne went to look for her.

It was Jerry who made the discovery that would haunt the Bushell family for the rest of their lives.

The retired local government officer found his daughter's body, with the dog waiting nearby, at 7.30pm.

One policeman on the inquiry team said: "It was a mindless, ruthless attack, which ripped the girl's throat."

### Brutal

The injury was described by Senior Investigating Officer Paul Burgan as "the worst I'd ever seen in 30 years of policing".

What it did to Jerry we can only imagine.

Her lower clothes had been interfered with, but she had not been raped or otherwise sexually assaulted.

The killer has never been found. A motive has not been discovered.

And despite an appeal in 2017 to mark the 20th anniversary of Kate's

## BRITAIN'S UNSOLVED CRIMES

brutal murder – an appeal that generated no fewer than ten leads – the mystery remains unsolved.

Kate Bushell had her throat cut during an attack in a field just 300 yards from the safety of her home in Exeter, Devon.

In the 20th anniversary year of the savage slaying, a team of serving and retired detectives and staff, some of whom worked on the original inquiry, began re-examining key evidence because they are convinced the killer had local knowledge and a connection to the Exwick area.

On the anniversary, police made a public appeal, releasing pictures of the type of kitchen knife used in the murder and revealing a forensic breakthrough.

The appeal asked the public to help

identify a man seen with a blue car in a layby in Exwick Lane at the time of the murder, and another unknown man seen running frantically down a field from the direction of where Kate was found.

Also revealed was the presence of orange fibres from non-florescent workwear found on Kate's body and a country stile nearby.

Officers received 204 calls and messages identifying 10 new significant lines of inquiry, including the names of potential suspects.

Over a four-month period, detectives examined the public messages in detail and reviewed up to 5,000 documents, including an in-depth

look at 30 original witness statements. From the 10 new leads, a number of individuals named by the public have been reviewed but eliminated from the inquiry.

Retired detective superintendent Burgan, who is leading the inquiry, said: "We really thank the public for the tremendous response to the 20th anniversary appeal, which totally surpassed our expectations."

"Unfortunately, despite the volume of calls, that one vital piece of information still eludes us and sadly we still do not know who is responsible for Kate's death."

"The active phase of the operation has ceased and all current inquiries

have been completed, but that does not mean that the case has been closed.

"This murder inquiry will be subject to future review and any intelligence received will be assessed and investigated accordingly.

"We are still looking for that one call from someone who may well be wrestling with their conscience and debating whether to call the police.

"This may be due to misplaced loyalty, or they may think they will be treated criminally if they only come forward at this late stage.

"Let me be very clear, our priority is to apprehend a child murderer. If you think you know something, be brave and please pick up the phone.

"We would like to especially praise the bravery of the Bushell family, who have acted with great dignity throughout the review and indeed over the last 20 years.

"We're extremely disappointed that despite a huge response from the public we cannot bring some form of justice to the Bushell

family and, most importantly, for Kate herself."

The charity Crimestoppers has offered a £10,000 reward for information received through them that leads to the arrest and conviction of the person responsible for the murder.

But even that didn't manage to snare the killer.

Tim Bushell, Kate's older brother, appealed to anyone who may still be withholding information to speak out.

"The 20 years of dedication, professionalism and effort put in by the police to try to solve Kate's murder is staggering," he said.

## Justice

I have been left humbled by the support and good wishes from friends, family and the wider community.

I personally thank everyone who contacted the police to give additional information, as well as the tireless efforts put in by current and retired members of Devon and Cornwall Police.

"My parents and I still hope that someone will come forward and that justice will be served.

RAPE CHARGE: JLS star

# Tour manager 'tried for threesome'

JLS star Oritse Williams was having "awkward" sex with a woman when his tour manager tried to initiate a threesome, a jury heard.

Jamien Nagadhana said he had been in bed when the woman – who has accused Williams of rape – came back into the hotel room he was sharing with the former pop star.

"Her and Oritse started getting together pretty much straight away," he told Wolverhampton Crown Court.

Nagadhana – who has been accused of sexual assault by touching and assault by penetration – said nothing was said to him at this point but the alleged victim and Williams were aware of him being there.

"I think the sex was a bit cringe and awkward," he said.

## Vibes

"I know him, he's a bit oafish. It probably wasn't a fun sexual encounter."

"At that point I went over and thought I could initiate a threesome because of the vibes we had earlier in the night."

"She was on her back, she was looking at me.

"I touched her around her vaginal area and she didn't really respond – neither groaning or moaning or resisting."

"It lasted five or six seconds and I thought she wasn't turned on, I

wasn't turned on, so I went back to my bed.

"She didn't say anything, it was of my own accord."

The alleged victim had claimed she "felt something down there" while Williams was on top of her and when she looked down, she saw Nagadhana "standing there really awkwardly with his hand on my vagina".

She claimed he was also "trying to put his finger in my bum and he did a bit" – which Nagadhana said did not happen.

Both Williams and Nagadhana, 32, deny the charges against them, which relate to the alleged incident at the Ramada Park Hall Hotel in Wolverhampton after a Williams gig.

The trial continues.

**DEPP CLAIMS EX HAD 'PAINTED-ON BRUISES'**

JOHNNY Depp has accused ex-wife Amber Heard of having "painted-on bruises" as he denied being physically abusive in newly filed court documents.

Hollywood actors Depp and Heard married in 2015 before an acrimonious divorce two years later.

After *Aquaman* star Heard wrote an op-ed in the Washington Post in December last year, describing herself as a victim of domestic abuse, Depp launched a £39million defamation lawsuit against her.

Heard asked a judge in Virginia to dismiss the lawsuit, but 55-year-old *Pirates Of The Caribbean* star Depp (left) wrote in a declaration: "I have denied Ms Heard's allegations vehemently since she first made them in May 2016 when she walked into court to obtain a temporary restraining order with painted-on bruises that witnesses and surveillance footage show she did not possess each day of the preceding week."

## Dog-rape perv freed by mistake

A PERVERT who brutally raped his fiancée's dog has walked free from jail because of a paperwork mistake.

Fidel Lopez, 52 (right), was convicted of sexually assaulting his girlfriend's pet so violently that the dog had to be put down in Multnomah County, Oregon.

Lopez, an illegal immigrant, was sentenced to 60 days in prison for the shocking crime but was wrongly released as

soon as the sentence hearing ended, as he'd already spent that time in custody following his February arrest.

The US Immigration and Customs Enforcement have since condemned Multnomah County Sheriff's Jail for releasing him without notifying immigration officials first.

Lopez was tracked down and arrested at his home and is being held "pending immigration proceedings".

Sex-snub man beaten up by drunken wife

A WOMAN has been charged with domestic violence after she allegedly assaulted her husband when he refused to shag her.

Police responded to the Florence Township home in Ohio where the victim told them Erika Yoder (above) was drunk when she'd assaulted him after he repeatedly refused her sexual advances.

The hubby allegedly went into another room to get away from his horny wife, but police say she followed him and struck him several more times.

Yoder eventually stopped hitting him and called police.

She told officers that her husband hit her in the face, but they did not find any evidence of her being assaulted.

Her son also disputed her allegations and was in fact hit and pushed by his drunk mum while trying to intervene.

Yoder was arrested and charged with two counts of domestic violence after deputies determined her to be the primary aggressor.

**Pervert offender watched vile acts via video phone**

**TWO women were arrested after they had sex with a DOG while video chatting with a prisoner.**

Jermaine Gaye, 34, was taken into custody in January in a hit-and-run case in which two people were injured.

While in jail in Norfolk, Virginia, he started chatting over the phone with two women and asked them to threaten the witness in the case.

Denise Kearney and Ashley Pinkett rang the witness several times and tried to convince her "to either change her story or not come to court". They allegedly also visited the home of the witness.

Gaye also encouraged the two women to have sex with his dog.

## Photographing

The sexual acts took place several times in March and April and in one of their calls Pinkett also mentioned photographing the act.

Gaye was moved to the Virginia Beach Jail around the same time after he allegedly tried to establish an "improper relationship with a jail employee".

On two occasions in April, Pinkett had sex with the dog while Gaye encouraged her over video chat. In the video

call, Gaye appeared to drape a white towel over the back of his head.

Gaye remains in jail with an additional charge of cruelty to animals.

Pinkett and Kearney were also taken into custody.

Pinkett is now facing 20 charges including bestiality, while Kearney is facing seven similar charges.

Virginia Beach Jail authorities say they are cooperating fully with the investigation.

In a statement they said: "It is our policy to fully prosecute any criminal activity that occurs within our facility, to include any criminal conduct that may be captured as part of an inmate's visitation."

"All inmates and their visitors are warned that visits are monitored and recorded."

# Tycoon's sex with teen in private plane

TEXTS: Mell begged girl to send him naked pic

## AIRCRAFT PUT ON AUTOPilot DURING ROMPS

**A MILLIONAIRE** faces jail after engaging in sexual acts with an underage teen on his private plane while it was on autopilot.

Stephen Mell, 53, was introduced to the 15-year-old girl by her own mother, who wanted her daughter to take flying lessons.

Father-of-three Mell began chatting with the girl in 2017 – exchanging text messages and SnapChat photos – before eventually arranging to meet up at his £3million mansion in Bedminster, New Jersey.

He “performed oral sex acts” on the girl on June 20 and then again several weeks later after sending her a message that said: “Miss you so much.”

The two of them would often discuss having sex and using birth control, with Mell allegedly buying an emergency contraceptive pill.

### Nervous

He told the girl in one text: “If you are nervous it will hurt more. When you are turned on is when it will feel ok.”

The two of them would meet up weeks later for their private flight when they flew to Barnstable, Massachusetts, on Cape Cod “for the purpose of engaging in illicit conduct, specifically, a sexual act”.

It was on the flight back that Mell – an active community member who did

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

volunteer work for a number of charities – put the aircraft into autopilot mode.

He and the teenage girl communicated throughout the summer of 2017 and up until that November, when the last correspondence was documented.

He begged her in another text: “Send me a nice naked pic cute thing.”

His wife divorced him after the relationship was revealed.

Mell, who pleaded guilty last year to engaging in interstate travel to engage in illicit sexual conduct with a minor, as well as child pornography, is due to appear in court next week for sentencing.

## Kids lose out to dead ‘witch’

**A MOTHER** who recently died has won the right to disinherit two of her three children after they repeatedly accused her of being a WITCH.

Spain's Supreme Court ruled that the Basque mother was within her legal right to financially disown two of her offspring for continuous psychological abuse.

“Her son Francisco Javier has accused her on repeated occasions of being evil, of practicing witchcraft and said that her house is haunted and malevolent,” the Bilbao judge ruled.

The verdict means the woman’s third son – Ignacio – was legally eligible to inherit all his mother’s assets.

The competition was billed as a wholesome beauty pageant for “inspirational” married women. But within hours, an anonymous email sent to judges revealed that 13 years ago – under her maiden name Natalie Pike – she had posed topless.

And the crown was handed to runner-up Mrs Aberdeen (Alana Stott), who is now set to represent her country in China next March at the Mrs World Finals.

De-throned Natalie, 35, is a match day television presenter for Manchester City FC.

Edinburgh-born Natalie is now seeking an apology from the organisers and financial compensation for her costs involved in taking part in the contest.

**Private tutor offered sex to boy, 15**

A TEACHER was seized by cops and accused of trying to tempt a 15-year-old pupil into having sex during a lesson.

Leticia Lowery, 39, runs a private tutoring business from her home in Pinehurst, Texas.

She offered free private tutoring sessions to the 15-year-old son of a family friend and the two began messaging each other frequently.

#### Explicit

The boy's parents were going through their child's phone when they spotted sexually explicit messages from Lowery, including nude photos and offers to perform sexual acts on the child, prosecutors allege.

One message read: "Would you like me to suck your cock, lick your balls

**ON THE PHONE:**

and put my tongue in your asshole?"

Lowery also allegedly texted the boy saying they would do "whatever he was comfortable with" after a tutoring session, prosecutors said.

When Harris County Sheriff's Office deputies confronted Lowery, she admitted to communicating with the boy but denied any messages were sexually explicit.

Lowery is now facing a second-degree charge of online solicitation of a minor, which carries a maximum 20-year prison sentence if she is convicted.

Deputies said Lowery is a former teacher. They are now urging anyone who believes their child has had any inappropriate interactions with Lowery to contact cops.

Phone filmed women naked in hotel room

A MAN was arrested after he secretly recorded two women in their hotel room.

Police said they were contacted by two women who found a phone set on record mode in their room.

The women had met some men at the hotel pool and they hung out in the women's second floor room.

After agreeing to meet the guys later, the men left the room as the women showered and changed.

But they noticed a phone popped up against the television in record mode.

The phone contained two videos, which the victims watched and reportedly saw themselves naked.

Police interviewed 21-year-old Anthony Horvath, who admitted to placing the phone in the room in Scottsdale, Arizona.

Horvath (above) was arrested for unlawful recording.

She said: "When Aderibigbe was told that the pastor had taken her son to the station, she took off her clothes inside the church building. She also climbed the altar and began to urinate."

Aderibigbe is pleading not guilty. The case was adjourned.

THERE seems to be a bit of a spate of films and TV shows about the postwar era knocking about at the moment – from spy drama *Mrs Wilson* to spy film *Red Joan*.

And to add to that, another espionage drama, *Summer of Rockets*, is coming to BBC2.

It's written by north London leftie and general BBC darling Stephen Poliakoff – so we can be sure it will be insufferably smug and teach us valuable lessons about racism and tolerance and diversity and stuff like that.

At the centre of the 1950s Cold War story is Samuel Petrukhin (Toby Stephens), a Russian-born Jewish immigrant and inventor of hearing aids who was actually inspired by Poliakoff's own father.

### Bomb

After befriending Kathleen Shaw (Keeley Hawes) and her Tory MP husband Richard Shaw (Linus Roache) and getting to know the impressive Lord Arthur Wallington (Timothy Spall), he is approached by the secret service.

The show is set

By JAYNE FERGUSON

against the backdrop of Britain's first hydrogen bomb test and the Russians beating the Americans in the first phase of the space race.

Everything seems to be shifting as technology and space exploration open up new possibilities, but over everything hangs the threat of the Cold War and nuclear catastrophe.

Which is all well and good, especially as we've got the leading ladies topless!

# GIRL POSED AS SHERIFF TO SPRING LOVER FROM JAIL

A WOMAN will spend time behind bars after she posed as a sheriff to get her boyfriend out of prison.

Maxine Feldstein has been sentenced to 15 years after she pleaded guilty to forgery, third-degree escape and second-degree criminal impersonation.

She gave fake paperwork to Washington County Detention Center last July.

Jailers thought all the documents was real and released Nicholas Lowe.

Lowe, according to court

papers, told Feldstein to pretend that she was a representative from Ventura County Sheriff's Office.

He told Feldstein to tell Washington County officials California was "having issues with overcrowding and all low-priority extraditions have been suspended," court documents stated.

Feldstein, who had bonded out of jail hours before,

called the Washington County Jail, saying she was Ventura County Deputy L. Kershaw.

Officials realised two days later they had been duped when a real Ventura County deputy called to pick up Lowe.

Police arrested the couple a month later.

Lowe also pleaded guilty to third-degree escape and was sentenced to 12 months in prison.

But he was given credit for 167 days served.

He will have a five-year suspended sentence once he is released by the Arkansas Department of Correction.

# THE WORLD FAMOUS AGONY Page

**Dear Kelly,**

I SNEAKED a peek in my stepsister's diary the other week and found out she has a secret lover.

She doesn't mention him by name in the book, but it's pretty damn clear that it's one of the lads who empties the bins on our estate.

My step-sis has just turned 18 and is a bit of a looker who my mates fancy, so I don't know why she's hooked up with this fella.

If our dad found out he'd go ape shit – not just because this lad is a binman, but because she's shagging around.

There's this one particular part in her diary where she clearly describes how she sucked his balls while her hand tugged at his cock and he groaned before shooting his load over her tits – which are massive, by the way!

I feel like a bit of a pervert knowing this, but I'm only concerned about our family name and reputation.

Should I tell my dad what I know?

GY, Somerset

**Kelly says...**

NO. It's none of your business.

**Dear Kelly,**

MY bird works in a pie factory and she's forever bringing home samples for us to enjoy.

I don't mind this, they're really tasty and it's saving us a lot of money which we can spend on other things.

But I suspect she's being serviced by the boss, who lets her have the tasty pastries, as she's recently started coming home from work later and later.

Whenever I bring up the subject, she goes coy and offers me my favourite cheese and onion slice – while she also gets on her knees and gives me a blowie.

What should I do?

TF, Lancs

**Kelly says...**

I THINK she likes food too much to be shagging around. Just enjoy her special treats!

## Blonde babes next door are offering regular sex

**Dear Kelly,**

I WAS in my back garden a couple of weeks ago, soaking up some rays, when my new neighbours looked over the fence.

They're a pair of fit blondes in their early twenties who moved in together recently and they asked me round for a few beers and a chat.

They were both wearing tiny bikinis and after we'd had a few they both went topless!

By this time I was up for f\*\*\*ing the pair of them and when they started kissing each other's pert boobs I didn't hang around.

I led them inside and invited them to suck my rock-hard cock.

They both took it in turns until I shot my load.

We then went upstairs and I boned one of them from behind while she licked her mate out.

It sounds too good to be true, I'll admit it, but they want to make it a regular thing.

But last week I got a kick in the balls when my money-grabbing landlord said he was going to put my rent up by £50 a week.

I can't really afford it, but I desperately want to keep on shagging them.

What should I do?

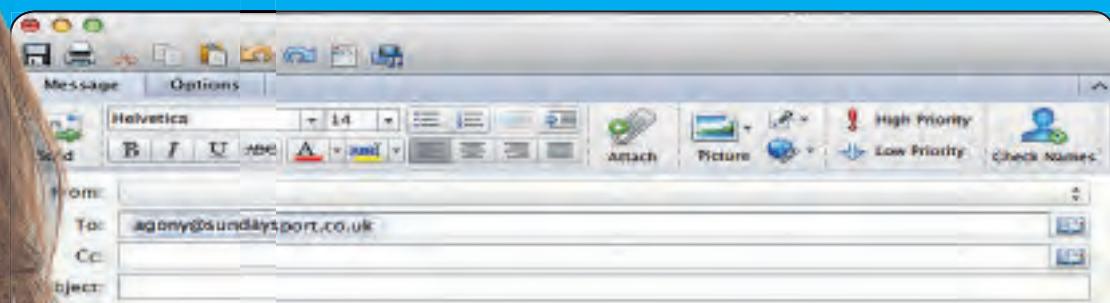

CK, email

**Kelly says....**

FIND the money from somewhere!

**WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY MCGREGOR has been reading through your letters. And here's her advice for you...**

# 'Groupie' was actually my sex-mad girlfriend

**Dear Kelly,**

**I'M the lead guitarist in a rock band and I've got a problem with our singer.**

I know all about groupies and such like, as we get a fair few of them hanging around after gigs.

Horny babes wait at the back of the venues just begging for a chance to get on our tour bus and get some action.

I'm in a relationship, so I never bother with them, but it never ceases to amaze me how easy it would be to get a bonk after every show we do.

#### Bucking

Our singer does takes advantage of the situation, getting off with a different babe at every gig.

This is absolutely fine with me, but at one show he told me he'd just boned a groupie BEFORE the gig because he liked her stripy tights. He then described in detail how it happened – and it was quite a story.

Apparently, she cornered him in the gents, led him into a cubicle, sat him on the loo and sucked his knob until his balls ached.

Then, he said, she unleashed his monster of rock, turned around,

pulled her tights down and lowered her wet pussy on to him.

And all the time she was riding him like a bucking bronco, he just sat back and smoked a cigarette. But the girl wasn't done. She pulled him out of the cubicle and ordered him to take her from behind as she was bent over the toilet sink.

Everyone in the band was laughing about it – and I have to say, the way he told us how he'd been pointing in the mirror at himself while she was bent over the sink had me in stitches as well.

Well, it did until moments later I saw my girlfriend walk backstage – wearing black and white stripy tights!

She got a great big cheer from the rest of the band and now I'm a laughing stock.

I love the girl, but I don't know if I can ever trust her again.

Should I forgive her?

BW, east London

**Kelly says...**

**NO, I don't think you can trust her. She's done it to you once and she'll do it again.**

**Dear Kelly,**

EVER since I can remember, the thought of rubber against my skin has me tingling in the nether regions.

It began when I was a kid, when I found a swimming cap left behind in the changing room at our local pool.

I loved the feel of it and stuffed it in my bag instead of handing it in at reception.

Now I have a big collection of them and I rub myself off on them all the time.

But unfortunately, my obsession with rubber has landed me in trouble.

I told my latest girlfriend, who freaked out and whipped me in the face with a floral number I was trying to get her to wear when I shagged her.

Now I'm all confused and don't know what to do next. Am I a twisted pervert or what?

JJ, Humberside

**Kelly says...**

**NO, but try a fetish website for friends.**

**Dear Kelly,**

LAST week I went to a lingerie party at a girlie pal's house.

The usual selection of saucy undies and dildos got passed around, with comments such as "That's the size of my fellas" or "That's twice as big as his".

We'd all had a few drinks and the conversation moved on to a debate about whose bloke was the most well-endowed.

I've measured my man's and it is nine inches when erect.

I'm proud to say that he uses it well and expertly fills all my holes with it!

But one gobby girl at the party wanted to bet £100 that her bloke had the biggest.

I can't afford to lose £100, but I could also do with the money.

But is it worth gambling on it?

MB, west Midlands

## Sex toy shocker

**Dear Kelly,**

I'VE always had a really active sex life but after I married my husband he quickly lost interest.

The other night I dressed up in my French maid's outfit in the hope of getting some action.

I waited for hours so I could surprise him with a kinky shag.

Then he strolled in from the pub, worse for drink, and just wouldn't stop talking about what his daft mates have been up to.

I was so angry that I went upstairs and got down to it with my vibrator and gave myself the best solo seeing-to I could manage.

Next thing I know my pissed hubby is in the room demanding that I suck on his cock while shoving my sex toy up his ARSE!

I did it with pleasure and he seemed to enjoy it more than he should.

Do you think he's a closet gay?

HS, Herts

**Kelly says...**

A MAN'S G-Spot is hidden up his anus and, when stimulated right, can deliver amazing orgasms. It's not just gay men who gain pleasure from this.

## ALICIA DOUVALL

By SIMON DEAN  
[simon@sundaysport.co.uk](mailto:simon@sundaysport.co.uk)

**OVER the years, awesome Alicia Douvall claims she's spent a whopping £1million on more than 330 surgical enhancements.**

And as far as her palm-stretching 32H boobs are concerned, it's money well spent.

Simon Cowell (*below left*) was a notable catch.

In 2000 she thrilled the world by revealing the breasts that had entranced all those celebs.

### Plastic

The mum-of-two appeared in *Celebrity Love Island* in 2006 and in 2010 she was in the TV documentary *50 Greatest Plastic Surgery Shockers*.

She starred in her own BBC3 documentary *Glamour Models, Mum and Me* in 2010 and again in show entitled *Glamour Model Mum, Baby and Me* in 2012.

In January 2015, she took part in the *Celebrity Big Brother*. She was the second housemate to be evicted from the show.

Alicia also released her first autobiography *Don't Call Me Ugly* in December 2015.

## # MY SEX FANTASY

...WITH  
CHARLOTTE  
SPRINGER, 26  
34F-24-34 FROM  
BRENTWOOD,  
ESSEX

**'Sex with  
a stranger  
feels so  
wild and  
naughty'**

**I**T probably sounds kind of slutty but the idea of sex with a stranger really turns me on.

Generally, I tend to be quite picky with guys and I usually wait to get to know someone before I sleep with them.

But recently I've had some really hot shenanigans with lads I'd only just met... it felt so wild and naughty!

I even got it on with my Uber driver once – I had the most intense orgasm on his back seat!

I was having dinner at a friend's, I ordered a taxi home and a very sexy driver turned up.

We began flirting heavily, I'd had a few wines of course. Something just came over me and I directly asked him if he wanted to 'make out' like we were in fifth grade.

We kissed and had a little fondle of each other, then we drove to a more secluded spot and just went for it.

The car isn't the comfiest of places to get it on, but it didn't matter on this occasion.

And when he flipped me over all dominant and started pounding me from behind, I nearly exploded.

It was so spontaneous and such a thrill – and I'm pretty sure he found my G-spot!

Now of course a woman has to be careful, there are some nutters around, so I wouldn't make a regular habit of it.

But it's opened my mind and all I fantasise about now is sex with a stranger.

You don't overthink anything and there's no strings attached.

I'm sure one day I'll be married with kids – so, why not, you only live once!

**KELLY BELL**

CHIP shop owner Brian Howard is bowled over by gorgeous glamour legend Kelly Bell

The 53-year-old, from Fleetwood, likes the girls up North but reckons 32-year-old Kelly is the apple of his eye.

Kelly, from Spalding, Lincolnshire, looks sensational with her pert 30Gs on full display in this shot.

Brian said: "Girls up here are proper fit and I love a Northern lass."

"But Kelly is a diamond and those tits are magic."

**ANASTASIA HARRIS**

CARPET fitter Ian Summers emailed us asking for a saucy snap of glamour babe Anastasia Harris.

The 45-year-old, from Manchester, said that 27-year-old Anastasia is his favourite Sport girl.

And he said he'd love to get naughty with the blonde beauty.

Anastasia, from Portsmouth, looks great in her navy and white undies – but it's her 32D norts which Ian's interested in.

He said: "She's mesmerising. I moan about laying carpets for folk, but Anastasia is one thing I'd love to lay. Oh yes!"

# SHOW ME THE HONEY!

**WELCOME** to interactive *Midweek Sport* – where **YOU** get to choose the stunna appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – **TOPLESS** or even **NAKED**.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – **UNIQUE** to British newspapers – is totally **FREE**!

All you have to do is drop us an email to [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

**JESSYCA WILSON**

LONDON Underground guard Len Sharp requested a topless picture of gorgeous Jessyca Wilson.

Len, 37, from Dulwich, loves the 'girl-next-door' look of 25-year-old Jessyca who hails from Leeds.

He told us: "I've always

fancied Jessyca and often look at her pictures while navigating the tube tunnels – she's a real light in my day.

"I have loads of buttons to press and concentrate on throughout the day but I dream of getting my hands on her 34D hooters."

## HUGHTON SWANNING OFF AT 6-1

CHRIS Hughton is 6/1 with BetVictor to be the next manager of Swansea City following Monday's news that former Swans' boss Graham Potter had swapped the Liberty Stadium for the Amex.

At the time of writing Swans' Under-23 coach Cameron Toshack - son of John one of the club's most famous sons - is 2/1 market leader at BetVictor having been well supported in the opening salvoes, with Chris Coleman and Garry Rowett 10/1. From 6s with the big mover Garry Monk (6s from 20s) to make a Prodigal Son like return to south Wales.

Do note Hughton is also 6/1 to take over the reins at the Riverside with Jonathan Woodgate 2/1 market leader at BetVictor to be the full-time successor to Tony Pulis.

In transfer news Wilfried Zaha is 6/4 with BetVictor to be plying his trade in an Arsenal shirt next season after reports suggested the Gunners were preparing an £80m bid for the Palace talisman. Zaha may have more than a passing interest in next week's Europa League Final given the player - who still has four years left on his contract - has expressed a desire to play in the Champions League next term.

Manchester United's Marmite midfielder Paul Pogba is now odds on at 4/5 to be playing for Real Madrid next term as the legendary Whites' player and manager Zinedine Zidane prepares for a major overhaul at the Bernabeu.

### Fighting

Gareth Bale is obviously surplus to requirements in the Spanish capital, but it does sound as if he will only leave Madrid on his own terms. Bale is 4/6 to be playing in a Manchester United shirt next term and the two Manchester clubs look to be fighting it out for the signature of Leicester City's Harry Maguire.

United were short priced favourites to sign the England defender but the news broke on Sunday that Vincent Kompany had accepted the player-manager role at Anderlecht leaving the champions, arguably, in need of another top-quality central defender. John Stones does not yet feel an integral part of Pep Guardiola's City side and Maguire is 2/1 with BetVictor to sign for City in the summer transfer window and the same price to join Ole Gunnar Solskjaer at Old Trafford.

If Zaha leaves Selhurst, the Eagles will be desperate to hold on to full back Aaron Wan Bissaka who is 2/1 to sign for Man United this summer. To lose Zaha would be disappointing for Palace fans. To lose both Zaha and Wan Bissaka would be unacceptable irrespective how much north of £100m they would receive for the pair.

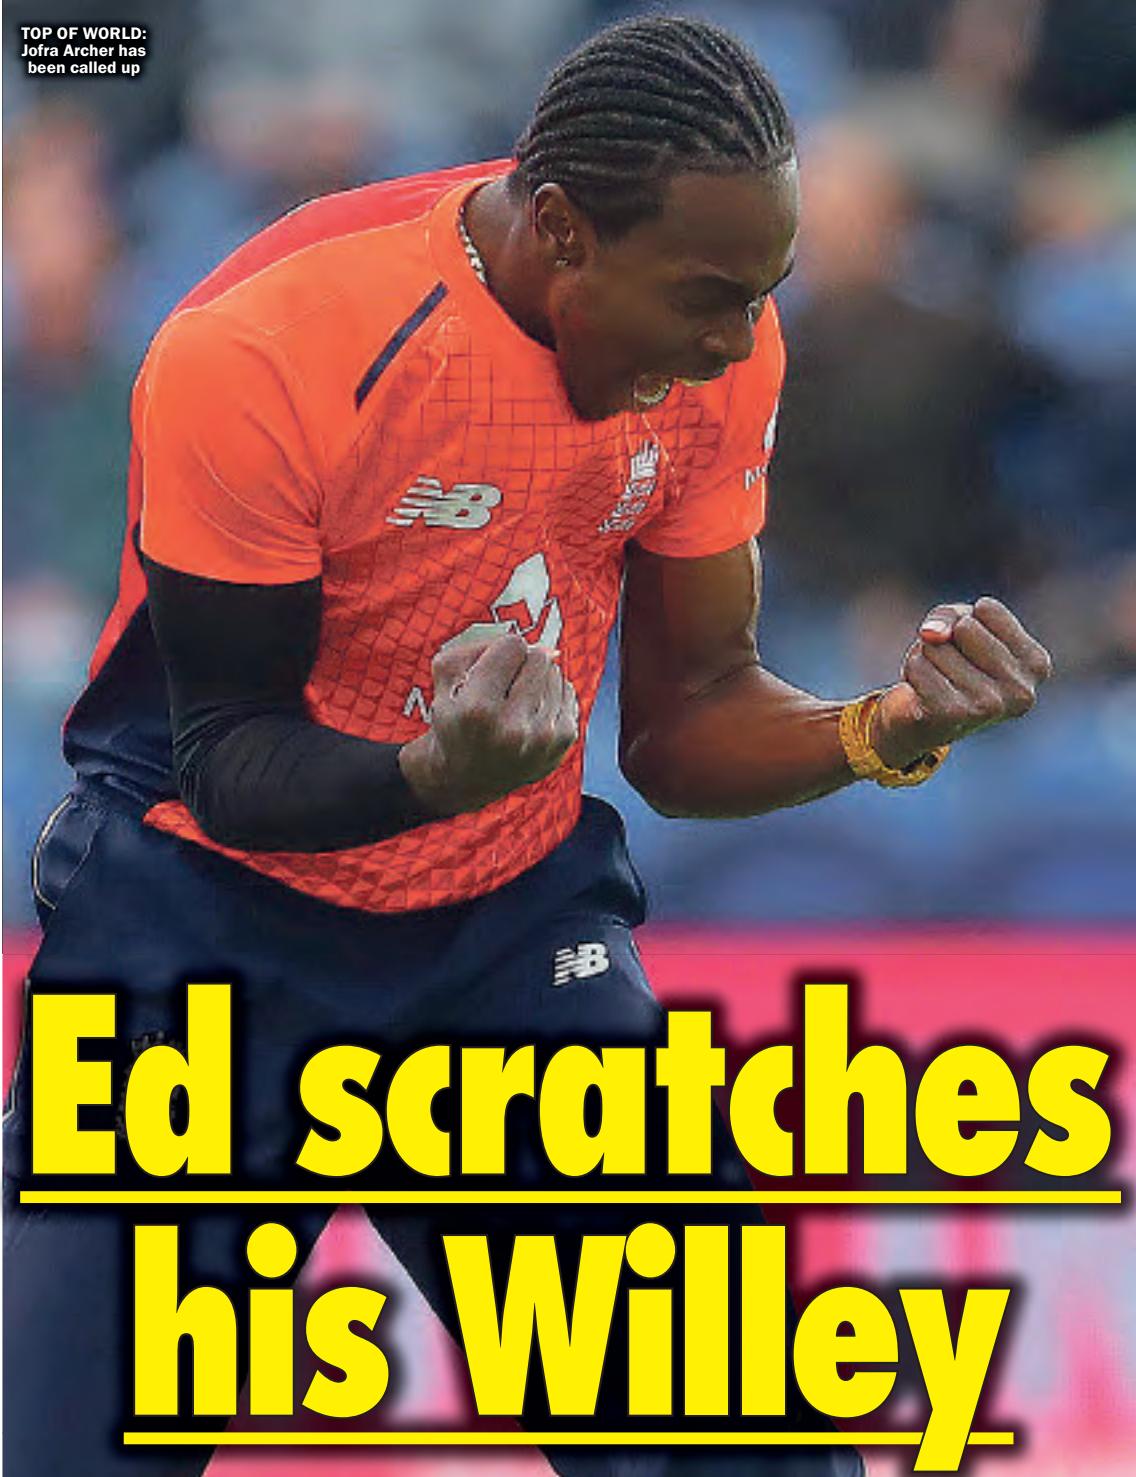

Kylian Mbappe hinted on Monday that his next "challenge" may be away from his Paris home. The French superstar is 2/1 to join Real Madrid this summer with Liverpool 4/1. The PSG striker would be a fantastic addition to the Premier League and I feel he will make the move at some stage during his career - but perhaps not this summer.

TOP OF WORLD:  
Jofra Archer has

### SMITH DROPS DAVID AND BRINGS IN ARCHER

**JOFRA Archer has edged David Willey out of England's World Cup squad.**

The Sussex speedster was born in Barbados and has only just qualified to play for the Three Lions.

But he has made a major impression in his three appearances for England and has been hailed as an "outstanding talent" by national selector Ed Smith.

Joe Denly is the other man to go as Liam Dawson has come in as back-up spinner.

Smith said: "We've seen Jofra Archer play against Pakistan and we've seen the skills he has. It's pretty

straightforward. He's an outstanding talent, that's clear to all of us. He has pace, bounce, skill.

"I spoke to David, he's an outstanding man.

"He's very honest, dignified. He's a very impressive man and cricketer."

"The new-ball area is strong and David Willey was unfortunate. He could easily have been in the World Cup squad, he deserved to be in."

"It was a very difficult situation we were in as a panel. We had more players than we were allowed."

Dawson has been brought in largely because Adil Rashid

has a slight injury and may not be able to figure in all the games.

Smith added: "Hopefully he'll be fine and he plays a full part in the competition, but that slightly tilts things towards spin bowling cover as a priority."

#### Unsettled

Archer is thrilled to have been picked. He said: "I think I'm ready. I've played a lot of cricket, I know how to deal with pressure, crowds, I think I'm ready."

He laughs off suggestions that his inclusion at this late stage could unsettle an established England one-day side and dressing room. Archer

added: "Everyone welcomed me with open arms from the moment I got in. It's a really good team to be part of, great team, captain, support staff, one of the better teams I've played in."

Willey tweeted: "What can I say, I'm absolutely gutted. Still 100% behind the lads. On a positive....still winning at life!"

# MICKI OUT OF FINAL

**Baku too risky for Arse ace**

**HENRIKH MKHITARYAN will miss Arsenal's Europa League final — for security reasons.**

The Gunners have confirmed that he will not travel to Azerbaijan because he is Armenian and the two countries are in conflict. That means his safety cannot be guaranteed in Baku — the BARMY venue for the big match next Wednesday.

The man himself is gutted to miss out on one of the biggest games of his career.

Mkhitarian said: "Having considered all the current options, we had to take the tough decision for me not to travel with the squad to the final."

"It's the kind of game that doesn't come along very often for us players and I must admit, it hurts me a lot to miss it."

"I will be cheering my teammates on! Let's bring it home Arsenal."

The club are clearly unhappy about the situation with one of their key players — but feel there's nothing they can do about it.

An Arsenal statement read: "We are very disappointed to announce that Henrikh Mkhitarian will not be travelling with the squad for

our UEFA Europa League final against Chelsea."

"We have thoroughly explored all the options for Micki to be part of the squad but after discussing this with Micki and his family we have collectively agreed he will not be in our travelling party."

"We have written to UEFA expressing our deep concerns about this situation. Micki has been a key player in our run to the final so this is a big loss for us from a team perspective."

"We're also very sad that a player will miss out on a major European final in circumstances such as this, as it is something that comes along very rarely in a footballer's career."

"Micki will continue to be part of our preparations until we depart for Baku at the weekend."

## Minge

Meanwhile, the Gunners are looking for a new No2 goalie to replace the retiring Petr Cech.

Reports in Germany are linking Arsenal with Dynamo Dresden glovekeeper Markus Schubert.

The 20-year-old has been impressing in the second division of the Bundesliga and his contract expires at the end of the season.

He is a German under-21 international and made his debut for the club as a 17-year-old.

Dresden boss Ralf Minge isn't fanning about and would like to keep Schubert — but knows it's a tall order.

He said: "It feels like a defeat when you train as a club player for almost ten years and then lose him at the very beginning of his professional career."

There could be some competition from other Bundesliga clubs but Arsenal can offer him much higher wages to push Bernd Leno for a starting spot at the Emirates.

RETIRING: Petr Cech

NO GO: Emery can't pick Mkhitarian

# GIROUD STAYS AT CHELSEA

**OLIVIER Giroud has signed a new one-year deal to stay at Chelsea.**

The big striker's contract was about to expire, 18 months after moving across London from Arsenal.

He had been linked with several clubs in France — but he may be set for more games at the Bridge thanks to the club's looming transfer ban.

The 32-year-old has a fair record given how he's come off the bench for the most part since joining the Blues.

He has knocked in 17 goals in

**By ANDY MILLON**

62 appearances including 10 in the Europa League.

He said: "I am very happy to sign a new contract."

"I really wanted to stay at least one more year — I have felt a part of the team, the family, since the beginning and hopefully there will be more trophies to come."

Chelsea boss Maurizio Sarri has preferred misfiring Gonzalo Higuain as his main striker this season — but he's not likely to

be available in the coming campaign when the Blues will also be playing Champions League football.

One new signing the club can definitely have has just arrived in west London.

Christian Pulisic completed his move from Borussia Dortmund in January but was immediately loaned back to the German side.

He played a big part in them finishing second to Bayern Munich in the Bundesliga.

Now that title race is over, he has arrived at his new side. The

20-year-old looks a ready-made replacement for Eden Hazard as he plays in the hole between attack and midfield.

He doesn't have the same wow factor as the Belgian though with 19 goals and 26 assists in his 127 games for the yellows.

He is not allowed to play in the Europa League final against Arsenal next week.

But he has been training with his new team-mates and will be a key man next term — whoever the manager is at Stamford Bridge.

STAYING: Giroud

## WINNING POST WITH BEN MORGAN

**MICK Channon would have been more than satisfied with KOEMAN's (NAP) return at Newmarket as he finished a close third to some smart rivals.**

The form of that race should turn out strong and now that he returns to a track where he has a decent record I would hope he can go close.

He improved a lot last year and gained deserved success, but judging by his performance last time out, he may well have improved over the winter. If he has, he's a winner in waiting.

Roger Varian and Andrea Atzeni have an enviable record in Scotland. Varian sends SHENANIGANS to Ayr today with Atzeni in the saddle with the hope of picking up some more Listed black type.

A likeable filly, always seems to be there or thereabouts in hotter events, but does struggle to get her head in front. Being the highest rated in the field today however, could mean she enjoys a deserved day in the sun.

## Success

Warwick host an interesting jumps card and my old friend PERUVIEN BLEU lines up and bids to go one better than he did at Ludlow 10 days ago.

A Ludlow specialist, he has enjoyed most of his success at the Shropshire track, but has performed well at other tracks in the past and looks to be on a mark he can win off providing things drop right.

He loves getting a tow into the race so the faster they go today, the better and with a few front runners, he should get a solid pace to run at. It is a competitive race though, but I would still be hopeful of place money at least.

STORM CONTROL bids to back up a facile chase debut win at Huntingdon.

A 13lb hike seems harsh as he didn't beat a great deal, but the manner in which he did it was taking.

He was always thought to be better than what he showed over hurdles and connections were just marking time with him over the smaller obstacles.

He goes up against some experienced rivals here but receives plenty of weight so I am hopeful he can go close again.

# £175M FOR MANE MAN

**Reds scare off Real Madrid with big fee**

LIVERPOOL have slapped a £175m price tag on Sadio Mane to scare off Real Madrid.

And it seems to be doing the trick and the Spanish giants not willing to shell out that sort of cash.

Madrid boss Zinedine Zidane wanted to build a new attack with more speed. He's all but

signed Eden Hazard from Chelsea and was hoping to add the Liverpool hitman to his front line.

The player himself is thought to be keen and came close to moving to the Bernabeu last season only for Zidane to surprisingly leave the club.

But after scoring 22

Premier League goals and sharing the Golden Boot, Real were poised to come calling again.

Liverpool are having none of that with reports in Spain suggesting that they have quoted a whopping 200m euros which is too much.

While Mane was keen to go, he's also happy to stay at Anfield and signed a lucrative five-

year deal just before Christmas.

And Liverpool have told Derby it will cost them £25m to turn Harry Wilson's loan into a permanent move.

The 22-year-old (right) has been the Rams' star on their run to the play-off final.

But boss Jurgen Klopp won't let him leave on the cheap, with Wolves also interested.
